

School Tuition & Payment Plan

IT Fee (all grades)

This fee ensures: computer labs and software are maintained and up to date, Internet speeds and bandwidth are sufficient, online resources are purchased & available to students to access from home as well as within the school, cutting edge software and hardware is invested into.

Study Tour Fee (Grades 4 - 11 Only)

All PYP Grade 4 and 5 parents/guardians and MYP parents/guardians will receive a complete breakdown of the cost prior to the study tours taking place as well as all academic relevance. At the end of the academic year the balance will be reimbursed to parents/guardians. Please note this study tour fee is usually utilized specifically for the overnight tours.

IB Fee

This fee is to continue to receive program implementation support, access to all curriculum material and guides, access professional development workshops. It also includes reading and processing applications, moderation of subject work, eAssessments set by the IB, Personal Project and Community Project moderation, scheduling and providing visits, and processing visit

reports and recommendations to IB headquarters.

Maintenance Fee

This fee is to ensure that the school is well maintained throughout the year and will cover damage to school property. It is also utilized to invest into health and safety measures, such as security cameras, generators etc.

Application Fee (non-refundable)

- US\$200 is payable on submission of an application.
- Your child will be assessed after which the school will officially offer placement.

Re-Enrolment Fee (non-refundable)

\$500 per child is due by April, once you have received the re-enrolment form from the school, to ensure a seat for your child for the next school year.

*This fee is deductible from the first tuition payment.

Development/Registration/Capital Fee (non-refundable)

- US\$2000 payable upon admission for the 1st child.
- US\$1500 each for additional siblings on admission
